STRONGLY TYPED

GENTLEMEN, BEHOLD! THIS IS STRONGLY TYPED!

OKAY, SO WHAT IS THIS?

This is **Strongly Typed**, a free, fully responsive site template by HTML5 UP. Free for personal and commercial use under the CCA 3.0 license.

NICE! WHAT IS HTML5 UP?

HTML5 UP is a side project of AJ's (= me). I started it as a way to both test my responsive tools and sharpen up my coding and design skills a bit.

WHAT'S THIS BUILT WITH?

Responsive Tools is a simple set of tools for building responsive sites and apps. All of my templates at **HTML5 UP** are built using these tools.
